

REMARKS

Applicant hereby submits this Rule 1.312 amendment in response to the Examiner's Amendment on pages 2-4 of the Notice of Allowance dated April 7, 2009. The claims being amended with this amendment are as shown on pages 2-4 of the Notice of Allowance.

Applicant would like to thank Examiner Doan for his helpful comments during the telephone interview of April 13, 2009. In that interview, applicant identified several typographical errors in the Examiner's Amendment, and Examiner Doan suggested filing this Rule 1.312 amendment in order to correct the typographical errors in the claims. Therefore, the amendments to the claims are merely formal amendments, and do not change the scope of the claims. Furthermore, the typographical errors are inconsistent with the claims in the last amendment filed March 2, 2009, and in the email sent to the Examiner on March 26, 2009 for the convenience of the Examiner.

The claims are amended as follows:

In claim 1, the term "having" is deleted in the preamble, in the phrase "said a radio receive," the identifier "a" is deleted and "receive" is replaced with "receiver," the term "range" is replaced with "ranges."

In claim 17, "t" is replaced with "to," "audio connector" is replaced with "connection module," and "module" is inserted after "third contact."

Accordingly, applicant respectfully requests consideration and entry of this amendment.

Respectfully submitted,

Date: 13 April 2009
